The Harris County Downtown Campus Guide Mobile Application is a mobile application for Android and iOS phones that is designed to assist the public in navigating the Harris County agencies located in downtown Houston. The Harris County Downtown Campus Guide includes locations such as the Harris County Jury Assembly Building, the Harris County Court System, the Harris County Administration Building, and various Harris County Law Enforcement buildings. Information and functionality includes:

- 1) Answers to the top questions asked by the public, as determined by Harris County switchboard operators, in an easy to use mobile interface
- 2) Integrated with the users mobile device location capabilities to provide mapping functionality and allow for walking and driving directions,
- 3) Provides imagery of the intended destination to assist with locating buildings, and
- 4) If the user still can't find what they need, a 'Need Assistance' page provides access to Harris County's main switchboard, plus County Law Enforcement dispatch (for the Downtown district only).
